## Food Distribution Continues

*Dear Partner in Ministry,*

*This is Pastor Ravi from India,*

*Christmas greetings! I am very grateful for all your love and support in helping us help the helpless.*

*I thank you from the bottom of my heart for your prayers, partnership, and your generous help with our work in our pagan country, India. We would be not able to continue work without your sacrificial support.*

*During this time of crisis, it is tempting to isolate oneself from other people, but this makes Christian ministry impossible.*

*Your financial help allows us to distribute meals, including water, chicken curry and rice to people living on the roadside, under bridges, in railway and bus stations, and on garbage dumps. Most of them say they go to bed hungry most days, and sincerely thank us for feeding them.*

*Because of your support and generous gifts this year, we have given hundreds of groceries bags with rice, oil, flour, and other staples to physically handicapped people and widows. We are also helping individuals and families that are suffering from Corona virus.*

*We are deeply grateful for your partnership with us. Your support makes it possible for us to give not only material help to the needy, but also to tell them the wonderful news of our loving Savior. Your gift is making a huge impact today, tomorrow and for eternity.*

*Dear partner, I pray that our Lord will richly bless you and your loved ones this Christmas, and may you be comforted, inspired and empowered by His Holy Spirit as we celebrate and move forward into an exciting New year, 2022.*

Your fellow servant of our Lord,

Pastor Ravi
